

THE DOWNLEY SCHOOL

"Learning, Growing and Succeeding Together"

Equalities Objectives

Our policies and practice have long been implicit for equality in our whole school ethos and atmosphere (demonstrated by our low absence rates, extremely low bullying and exclusion rates, excellent behaviour standards and happy feel in the school).

But we also have to have Equality Objectives which contribute to pupil welfare and the school community. These are currently:

- 1. To ensure that there is support for parents with English as Additional Language (EAL) in reception and links on the website to useful agencies.***
- 2. To monitor equality of representation and participation at school events, activities and posts of responsibility.***

Headteacher: Mrs S Webb
Faulkner Way, Downley, High Wycombe, Bucks HP13 5AL
