

# Story of My Name

- Where does my name come from?
- Why was it chosen?
- Does it reflect anything about my heritage, culture, religion or have another significance?
- Which parts of the world does my name come from?
- Why have names travelled from other countries to become popular in Britain?
- Do I have a nick-name?
- Is it fair to shorten/nickname somebody's name without them wanting it?
- How can we find out more about our names?

Prepare a display about your name and everything you have learnt about it - using art, symbols and flags to symbolise your identity.
