2. Introduction

- 2.1. At The Downley School we believe that a policy on child protection is founded on the right of all children and young people to be safe and feel safe, and that it is the fundamental obligation on all schools to robustly secure this right.

This aim of this policy is to provide staff, governors, supply teachers and volunteers with the framework they need to keep children in The Downley School safe and secure and to provide parents and carers with the information about how we will safeguard their children whilst in our care.

This policy has been developed in accordance with the principles established by the **Children Acts 1989 and 2004**; and in line with the following:

- “Working Together to Safeguard Children 2018” - July 2018 [Working Together To Safeguard Children July 2018](#)
- “Keeping Children Safe in Education”- statutory guidance for schools and further education colleges - Sept ~~2019~~2020 [Keeping Children Safe in Education 2020](#)
- Information Sharing Guidance for Safeguarding Practitioners [Information Sharing Guidance](#) – DfE July 2018
- Children Missing Education; Statutory Guidance for Local Authorities - Sept 2016 [Children missing education - GOV.UK](#)
- Statutory Guidance issued under section 29 of the Counter-Terrorism and Security Act - 2015 [Prevent Duty Guidance](#)
- Sexual Violence and Sexual Harassment between Children in Schools and Colleges – May 2018 [Sexual Violence and Sexual Harassment between Children in Schools and Colleges](#)
- The Equality Act - 2010 [Equality Act 2010: guidance - GOV.UK](#)

CHILD PROTECTION POLICY

- The United Nations Convention on the Rights of the Child (UNCRC) United Nations Convention on the Rights of the Child
 - What to do if you're worried a child is being abused - March 2015 What to do if you are worried a child is being abused
- 2.2. We believe clear governance and leadership is central to embedding a safeguarding culture. The Governing Body takes its responsibility seriously under **section 175 of the Education Act 2002** to safeguard and promote the welfare of children; working together with other agencies to ensure adequate arrangements are in place within our school to identify, assess, and support those children who are suffering harm or whose welfare may be in question. Governors will ensure all staff at the school have read and understood their responsibilities pertaining to **Part 1, Part 5 and Annexe A of Keeping Children Safe in Education, Sept 2020**. They must ensure that there is an auditable system in place to evidence this.
- 2.3. All staff are required to read and adhere to the **Staff Code of Conduct** which governs behaviours expected of them, as well as having an understanding of the **Behaviour Policy** for children and our **Attendance Policy**.
- 2.4. We recognise all staff and Governors have a full and active part to play in protecting our pupils from harm, actively promoting their welfare and ensuring that every child's welfare is our paramount concern. Each member of staff is responsible for contributing to a positive culture of safeguarding in The Downley School.
- 2.5. All staff believe our school must provide a safe, caring, positive and stimulating environment that promotes the social, physical and moral development of the individual children.
- 2.6. The school recognises that as well as threats to the welfare of children from within their families, children may be vulnerable to abuse or exploitation outside their homes and from other children. Staff must remain vigilant and alert to these potential risks.
- 2.7. The aims of this policy are:
- 2.7.1. To support pupils' development in ways that will foster security, confidence and resilience, free from discrimination.
 - 2.7.2. To provide an environment in which children feel safe, secure, valued and respected.
 - 2.7.3. Children feel confident that they know how to approach adults if they are in difficulties.
 - 2.7.4. To ensure all teaching staff, non-teaching staff, supply and volunteers:
 - are aware of the need to safeguard and promote the wellbeing of children
 - identify the need for support early to promote well-being

CHILD PROTECTION POLICY

- promptly report cases of actual or suspected abuse, in line with guidance from the Buckinghamshire Threshold Document
 - are trained to recognise signs and indicators of potential abuse
- 2.7.5. To provide a systematic means of monitoring children known to be or thought to be at risk of harm and ensure contribution to assessments of need and support plans for those children.
- 2.7.6. To acknowledge the need for effective and appropriate communication, ensuring staff know how and when to share information to protect children in a way that is legal, ethical and timely.
- 2.7.7. To ensure The Downley School has a clear system for communicating concerns and a model for open communication between children, teachers, parents/carers and other adults working with children.
- 2.7.8. To have a clearly understood structured procedure within the school which will, in cases of suspected abuse, be promptly followed by all members of the school community.
- 2.7.9. To ensure the school has robust systems in place to accurately record safeguarding and child protection concerns, which are clearly understood by staff and adhered to. Actions taken to address concerns and outcomes achieved are dealt with in a timely manner, clearly and accurately recorded. These records are securely stored.
- 2.7.10. To develop effective working relationships with all other agencies involved in safeguarding, supporting the needs of children at our school.
- 2.7.11. To ensure that all staff appointed have been through the safer recruitment process and understand the principles of safer working practices as set out in our **Staff Code of Conduct**, which stipulates their duty to report where behaviours of colleagues may have stepped outside of agreed safe practices. All staff must work to develop a positive culture of safeguarding in our school.
- 2.7.12. To provide clarity to other community users of our facilities with regard to our expectations of how they should maintain a safe environment, which supports children's welfare and development. We reserve the right to decline access to use the school facilities where we believe their ethos or practice is not aligned with this policy.
- 2.7.13. This policy is published on our website, in 'Our School' then 'School Policies and Reports' and hard copies are available from the school office.

3. Responsibilities

- 3.1. All staff, visitors, supply and volunteers understand safeguarding children is **everyone's responsibility** and that they must be diligent to help secure children's safety and wellbeing. Any person who receives a disclosure of abuse, an allegation or suspects that abuse may have occurred will report it

CHILD PROTECTION POLICY

immediately to Fiona Taylor or, in their absence, to Wendy Carr. In the absence of either of the above, concerns will be brought to the attention of the most senior member of staff on site. Staff understand that if there is an immediate risk of harm then the police or First Response will be called directly and the DSL will be updated at the earliest opportunity (see the referral procedure in sections 4 and 7, and allegations against staff in section 9).

- 3.2.** Staff must maintain a good working knowledge of the Buckinghamshire Threshold Document and any updates, how it can be used to safeguard and promote the wellbeing of pupils and how it should be used to inform decision making regarding a referral to First Response as soon as there is a significant concern.
- 3.3.** Staff understand that the most common reason for children becoming looked after is as a result of abuse and/or neglect and that previously looked after children remain vulnerable. Staff have the skills, knowledge and understanding to keep both looked after children and previously looked after children safe.
- 3.4.** Staff understand increased vulnerability and that barriers exist when recognising abuse and neglect for children with Special Educational Needs or Disabilities.
- 3.5.** The Governing Body understands and fulfils its safeguarding responsibilities. It must:
 - 3.5.1.** Ensure that the Headteacher and (when not the Headteacher) the DSL create and maintain a strong, positive culture of safeguarding within the school.
 - 3.5.2.** Ensure that this policy reflects the unique features of the community we serve and the needs of the pupils attending our provision (see section 4). This will be reviewed at least annually in line with changes to guidance and legislation.
 - 3.5.3.** Regularly monitor and evaluate the effectiveness of this Child Protection Policy and be satisfied that it is being complied with.
 - 3.5.4.** Appoint a Designated Safeguarding Lead (DSL), who is a member of the Senior Leadership Team (SLT) and has the required level of authority, and also appoint at least one Deputy DSL. The Headteacher has overall responsibility for safeguarding within the school; they can be the DSL or can delegate that work to a member of the SLT. The SLT must report to the Headteacher on a regular basis. The roles and responsibilities of the DSL and Deputy DSL are made explicit in those post-holders' job descriptions.
 - 3.5.5.** Recognise the importance of the role of the DSL, ensuring they have sufficient time, training, skills and resources to be effective. Refresher training must be attended every 2 years, in addition knowledge and skills must be refreshed at regular intervals, at least annually.
 - 3.5.6.** Ensure measures are in place for the governing body to have oversight of how the school's delivery against its safeguarding responsibilities are exercised and evidenced. Ensure robust structures are in place to challenge

CHILD PROTECTION POLICY

the Headteacher where there are any identified gaps in practice or procedures are not followed.

- 3.5.7. Recognise the vital contribution that the school can make in helping children to keep safe, through incorporation of safeguarding within the curriculum. This will also be taught through the PSHE curriculum and relevant issues through the Relationship Education (primary schools) or Relationship Sex Education (secondary schools, mandatory from Sept. 2020). Ensure that through curriculum content and delivery children in the school understand, at age and stage appropriate levels, safeguarding and how to keep themselves safe in a contextually appropriate way.
- 3.5.8. Ensure safe and effective recruitment policies and disciplinary procedures are in place, which adhere to **Keeping Children Safe in Education, September 2020** and legislation referred to therein.
- 3.5.9. Ensure resources are allocated, as a priority, to meet the needs of pupils requiring child protection or early intervention.
- 3.5.10. Ensure the DSL completes an Annual Safeguarding Report for Governors, demonstrating how we are meeting our statutory responsibilities for safeguarding and promoting the welfare of children. Ensure a copy of this report is shared with the Education Safeguarding Advisory Service within the specified time frame.
- 3.6. It is the duty of the Chair of Governors Roxana Sapsford to liaise with relevant agencies if any allegations are made against the Headteacher. If there are concerns that issues are not being progressed in an expedient manner, staff/pupils/parents/carers should escalate concerns to the Local Authority Designated Officer (LADO) via First Response.
- 3.7. The Governing Body must ensure that a named teacher is designated for Children Looked After and that an up to date list of children who are subject to a Care Order or are accommodated by the County Council is regularly reviewed and updated. The school must work with the Virtual Schools Team to support the educational attainment for those children who are Looked After.
- 3.8. The governing body has a statutory duty to appoint a Nominated Governor for Child Protection. The Nominated Governor must be familiar with Buckinghamshire Safeguarding Children Partnership procedures, Local Authority procedures and guidance issued by the Department for Education. The Nominated Governor must:
 - 3.8.1. Work with the DSL to produce the Child Protection Policy annually.
 - 3.8.2. Undertake appropriate safeguarding training, to include Prevent Training.
 - 3.8.3. Ensure child protection is, as a minimum, an annual agenda item for the Governing Body.
 - 3.8.4. Meet at least termly with the DSL to review and monitor the school's delivery on its safeguarding responsibilities and to review the Single Central Record.

CHILD PROTECTION POLICY

- 3.9. All governors must complete safeguarding training on appointment, to also include Prevent training.
- 3.10. Overall responsibility for the safeguarding of pupils remains with the Headteacher, although tasks may be delegated to other members of the team, including the nominated DSL if appropriate. We have a Designated Safeguarding Lead (DSL) who is responsible for:
- 3.10.1. Creating a culture of safeguarding within the school, where children are protected from harm. Ensuring all staff receive an appropriate level of induction and training to support them to be professionally curious and vigilant in order to question behaviours and challenge perceptions if they have concerns for a pupil.
- 3.10.2. Ensuring children receive the right help at the right time using the Buckinghamshire Threshold Document to inform plans for support or protection (see Appendix for definitions of the categories of abuse).
- 3.10.3. Ensuring referrals to partner agencies are followed up in writing, within 24 hrs of initial contact, including referrals to First Response.
- 3.10.4. Establishing and embedding a policy and process for recording and storing information about child protection concerns and outcomes achieved, enabling records to be reviewed and an overview gained, in order to support timely interventions and allow prompt follow up. This includes use of the Escalation Process found on the BSCP website.
- 3.10.5. Ensuring safeguarding records, legislation and guidance are up to date and are maintained in accordance with data protection. Ensuring records are stored safely and securely and remain confidential. That:
- the DSL must share information, both internally and externally, on a 'need to know' basis only, being able to justify the reason for sharing and in accordance with the confidentiality policy. The Data Protection Act 2018 and GDPR do not prevent the sharing of information for the purposes of keeping children safe. Fears about sharing information must not be allowed to stand in the way of the need to safeguard and promote the welfare and protect the safety of children.
 - all child protection files are held separately from pupil educational records.
- 3.10.6. Maintaining the record of staff safeguarding training. Ensuring that The Downley School's most up to date **Child Protection Policy** is widely available (this may be on the website), publishing the **Safeguarding Statement** and other relevant information on the school website. Ensuring that the safeguarding team contact details and photos are displayed in prominent areas around the school and also on the website.
- 3.10.7. Being the designated point of contact for staff to be able to discuss and share their concerns, developing a culture whereby staff feel comfortable to do so. In their absence the DSL will ensure the Deputy DSL, or most senior member of staff, is available (The DSL and the Deputy are both trained to the same level within our school).

CHILD PROTECTION POLICY

- 3.10.8.** Being available to staff and outside agencies during school hours and term time for consultation on safeguarding concerns raised. Having responsibility to ensure that cover is arranged outside of term-time during working hours.
- 3.10.9.** During residential and extended school hours, ensuring arrangements are in place for staff to have a point of contact.
- 3.10.10.** Contributing effectively to multiagency working, for the safeguarding and promotion of the welfare of children, this could include:
- participating in Strategy discussions;
 - attending Child Protection Case Conferences;
 - submitting reports to the conference, which must be shared in advance with the parents/carers;
 - contributing effectively and taking shared responsibility for core group meetings with all other agencies involved;
 - engaging fully, as requested, in any other multi-agency planning meetings;
 - contributing to the Framework for Assessments process;
 - ensuring coverage is available at all times during the year
- 3.10.11.** Providing the Headteacher (if the Headteacher is not the DSL), with an annual report for the Governing Body, detailing how school delivers on its safeguarding responsibilities and any child protection issues within the school. The Governing Body will use this report to fulfil its responsibility to provide the Local Authority with information about their safeguarding policies and procedures.
- 3.10.12.** Meeting regularly with the Nominated Governor to share oversight of the safeguarding provision within the setting, monitor performance and develop plans to rectify any gaps in policy or procedure.
- 3.10.13.** Meeting the statutory requirement to keep up to date with knowledge, enabling them to fulfil their role, including attending mandatory and any other additional relevant training.
- 3.10.14.** Referring immediately to the Police any cases where a criminal offence may have been committed or risk of harm is imminent. [NSPCC - When to call the police](#)
- 3.10.15.** Help promote educational outcomes by sharing the information about the welfare, safeguarding and child protection issues that children, including children with a social worker, are experiencing, or have experienced, with teachers and school and college leadership staff. Their role could include ensuring that the school or college, and their staff, know who these children

CHILD PROTECTION POLICY

are, understand their academic progress and attainment and maintain a culture of high aspirations for this cohort; supporting teaching staff to identify the challenges that children in this group might face and the additional academic support and adjustments that they could make to best support these children.

4. Procedures

Our school procedures for all staff, supply and volunteers and visitors in safeguarding and protecting children from harm are in line with Buckinghamshire County Council and Buckinghamshire Safeguarding Children Partnership safeguarding procedures, **“Working Together to Safeguard Children 2018”**, **“Keeping Children Safe in Education” 2020** and statutory guidance issued under section 29 of the **Counter-Terrorism and Security Act 2015**.

We will ensure:

- 4.1 We have a designated member of the Senior Leadership Team who has undertaken appropriate training for the role, as recommended by the BSCP. Our Designated Safeguarding Lead (DSL) will be required to update their training in accordance with the Learning Pathway agreed by the BSCP.
- 4.2 We have a member of staff Wendy Carr (Deputy Designated Safeguarding Lead) who will act in the DSL’s absence and who has also received training for the role of DSL. In the absence of an appropriately trained member of staff, the most senior member of staff on site will assume this role.
- 4.3 All adults (including supply teachers and volunteers) new to our school are made aware of the school’s policy and procedures for child protection, the name and contact details of the DSL, their role and responsibilities under **“Keeping Children Safe in Education 2020”** and the booklet **“What to do if You’re Worried a Child is Being Abused”**. They will have these explained, as part of their induction into the school.
- 4.4 Visitors must be:
 - 4.4.1 Clearly identified with visitor/contractor passes.
 - 4.4.2 Met and directed by school staff/representatives.
 - 4.4.3 Signed in and out of the school by school staff.
 - 4.4.4 Given a safeguarding leaflet to read, or directed to a poster informing them of how to report a concern.
 - 4.4.5 Given restricted access to only specific areas of the school, as appropriate.
 - 4.4.6 Escorted by a member of staff/representative as required.
 - 4.4.7 Given access to pupils restricted to the purpose of their visit.
- 4.5 All members of staff must complete regular safeguarding training, attend regular refresher training and partake in any training opportunities arranged or

CHILD PROTECTION POLICY

delivered by the DSL. Updates must be cascaded to all staff throughout the year, at a minimum of once a year.¹

- 4.6 All parents/carers must be made aware of the school's responsibilities in regard to child protection procedures through this policy, which is available on our website. Hard copies are also available from the school office.
- 4.7 All staff must follow the reporting procedures as follows when reporting any child protection concerns:
 - 4.7.1 Staff must ensure the child is in a safe place and in receipt of support;
 - 4.7.2 Staff must initially make a verbal report to the DSL to alert them to the safeguarding/child protection concern;
 - 4.7.3 Staff must make a written report using the school record keeping process;
 - 4.7.4 All concern forms are located in our online child protection management system-CPOMS. All staff have a log in and the ability to enter concerns using the 'Add Incident' function.
 - 4.7.5 Staff must ensure the time and date of the incident is recorded;
 - 4.7.6 A factual account of the incident must be recorded, including who was involved, what was said/seen/heard, where the incident took place and any actual words or phrases used by the child;
 - 4.7.7 Use a body map to record any injuries seen or reported by the child:
 - 4.7.8 Staff must give details of their role within school;
 - 4.7.9 The DSL or DDSL will be notified by CPOMS once alerted and will be able to record what action was taken alongside any outcomes achieved
- 4.8 Through our Attendance Policy, we have a robust system for monitoring attendance and will act to address absenteeism with parents/carers and pupils promptly and identify any safeguarding issues arising. In most cases a message via the absence line or email to the school office from the parent informing the school that their child is ill will be acceptable. Parents may be asked to provide medical evidence where there are repeated absences due to reported illness.
- 4.9 All children attending our school are required to have a minimum of two identified emergency contacts.
- 4.10 Any pupil absent for ten school days, where it has not been possible to make contact with a parent/carers, will be reported as a Child Missing in Education (CME) using the **Buckinghamshire CME Protocol**.

¹ "Keeping Children Safe in Education 2019" states that staff should receive regular training. Buckinghamshire County Council advises that this takes place no longer than 3 years in between refresher training.

CHILD PROTECTION POLICY

- 4.11 Any absence, without satisfactory explanation, of a pupil currently subject to a child protection or child in need plan is immediately referred to their social worker.
- 4.12 Parents/carers must inform school if there are any changes to a pupil's living arrangement. The Downley School has a mandatory duty to inform the local authority, via the First Response Team, if a child under the age of 16 years old lives with someone other than their parent, step-parent, aunt, uncle or grandparent for a period of more than 28 days. This is defined as being a private fostering arrangement.
- 4.13 All staff, parents/carers and children are made aware of the school's escalation process, which can be activated in the event of concerns not being resolved after the first point of contact. We acknowledge an individual's safeguarding responsibility does not end once they have informed the DSL of any concerns, although specific details of further actions may be appropriately withheld by the DSL as information will only be shared on a need to know basis.
- 4.14 Our lettings policy reflects the ongoing responsibility the school has for safeguarding those using the site outside of normal school hours, ensuring the suitability of adults working with children on school sites at any time. School must have sight of the up to date **Child Protection Policy** of any organisation hiring the school's facilities.
- 4.15 The school operates **Safer Recruitment** practices, including ascertaining the suitability of volunteers and employed staff, both employed directly or via an agency, who are working in regulated activities.
- 4.16 Allegations against members of staff, including supply teachers and volunteers, are referred to the Local Authority Designated Officer (LADO).
- 4.17 Our procedures are reviewed and updated annually as a minimum, or as there are changes to legislation.

5. Retention of Records

- 5.1 When a disclosure of abuse or an allegation against a member of staff or volunteer has been made, our school must have a record of this. These records are maintained in a way that is confidential and secure, in accordance with our **Record Keeping Policy** and **Data Protection Legislation**.
- 5.2 There is a statutory requirement for our school to pass any child protection records to the pupil's next school. We are required to have an auditable system in place to evidence we have done so. Any transfer of records will be carried out using a secure method and will be sent separately to the pupil's general file.
- 5.3 The last statutory school maintains child protection files until a pupil reaches the age of 25 years, therefore if the transfer school is unknown, or a pupil is going to be electively home educated, any child protection files will remain at our school in a secure location. Child protection files will only be destroyed when the pupil reaches their 25th birthday.

CHILD PROTECTION POLICY

- 5.4** We have a robust system for reviewing our archived information held. Our files are stored and disposed of in line with GDPR protocols.

6. Confidentiality

- 6.1** We recognise that all matters relating to child protection are confidential.
- 6.2** The Headteacher or Designated Safeguarding Lead must only disclose personal information about a pupil to other members of staff on a need to know basis.
- 6.3** Staff must not keep duplicate or personal records of child protection concerns. All information must be reported to the Designated Safeguarding Lead and securely stored in the designated location within the school, separate from the pupil records.
- 6.4** All staff are aware they cannot promise a child to keep secrets which might compromise the child's safety or well-being or that of another as they have a duty to share. Staff must, however, reassure the child that information will only be shared with those people who will be able to help them and therefore need to know.
- 6.5** We will always undertake to share our intention to refer a child to Social Care (First Response) with their parent/carer's consent, unless to do so could put the child at greater risk of harm or impede a criminal investigation. If in doubt, we will consult with First Response on this point. We recognise that GDPR must not be a barrier for sharing information regarding safeguarding concerns.

7. Dealing with a disclosure

In the event of a child disclosing abuse staff must:

- 7.1** Listen to the child, allowing the child to tell what has happened in their own way, and at their own pace. Staff must not interrupt a child who is freely recalling significant events.
- 7.2** Remain calm. Be reassuring and supportive, endeavouring to not respond emotionally.
- 7.3** Not ask leading questions. Staff are reminded to ask questions only when seeking clarification about something the child may have said or to gain sufficient information to know that this is a safeguarding concern. Staff are trained to use TED; Tell, Explain, Describe.
- 7.4** Make an accurate record of what they have seen/heard using the school's record keeping processes, recording; times, dates or locations mentioned, using as many words and expressions used by the child, as possible. Staff must not substitute anatomically correct names for body part names used by the child.
- 7.5** Reassure the child that they did the right thing in telling someone.

CHILD PROTECTION POLICY

- 7.6** Staff must explain to the child what will happen next and the need for the information to be shared with the DSL.
- 7.7** In the unlikely event the DSL and deputy DSL not being available, staff are aware they must share concerns with the most senior member of staff.
- 7.8** **If there is immediate risk of harm to a child, staff will NOT DELAY and will ring 999.**
- 7.9** The child will be monitored/accompanied at all times following a disclosure, until a plan is agreed as to how best they can be safeguarded.
- 7.10** Following a report of concerns the DSL must:
- 7.10.1** Decide whether there are sufficient grounds for suspecting significant harm, in which case a referral must be made to First Response and the police if it is appropriate. The rationale for this decision should be recorded by the DSL.
- 7.10.2** Normally the school should try to discuss any concerns about a child's welfare with parents/carers and, where possible, obtain consent before making a referral to First Response. However, in accordance with DfE guidance, this should only be done when it will not place the child at increased risk or could impact a police investigation. Where there are doubts or reservations about involving the child's family, the DSL should clarify with First Response or the police whether the parents/carers should be told about the referral and, if so, when and by whom. This is important in cases where the police may need to conduct a criminal investigation. The child's views should also be taken into account.
- 7.10.3** If there are grounds to suspect a child is suffering or is likely to suffer significant harm, the DSL (or Deputy) must contact First Response by telephone in first instance and then completing the Multi Agency Referral Form (MARF) making a clear statement of:
- the known facts
 - any suspicions or allegations
 - whether or not there has been any contact with the child's family
- 7.10.4** If the child is in immediate danger and urgent protective action is required, the police must be called. The DSL must then notify First Response of the occurrence and what action has been taken.
- 7.10.5** If a child needs urgent medical attention, the DSL (or Deputy) should call an ambulance via 999. DSL to contact First Response; advice to be sought from First Response about informing parents/carers.

CHILD PROTECTION POLICY

8. Multi-Agency Working

- 8.1 Schools and colleges have a pivotal role to play in multi-agency safeguarding arrangements. Governing bodies and proprietors should ensure that the school or college contributes to multi-agency working in line with statutory guidance Working Together to Safeguard Children.
- 8.2 New safeguarding partners and child death review partner arrangements are now in place. Locally, the three safeguarding partners (the local authority; a clinical commissioning group for an area within the local authority; and the chief officer of police for an area (any part of which falls) within the local authority area) will make arrangements to work together with appropriate relevant agencies to safeguard and promote the welfare of local children, including identifying and responding to their needs
- 8.3 It is especially important that schools and colleges understand their role in the three safeguarding partner arrangements. Governing bodies, proprietors and their senior leadership teams, especially their designated safeguarding leads, should make themselves aware of and follow their local arrangements.

9. Supporting Staff

- 9.1 We recognise that staff becoming involved with a child who has suffered harm, or appears to be likely to suffer harm, could find the situation stressful and upsetting.
- 9.2 We will support such staff by providing an opportunity to talk through their anxieties with the DSL and to seek further support if necessary. This could be provided by the Headteacher or another trusted colleague, Occupational Health, and/or a representative of a professional body, Employee Assistance Programme (PAM) or trade union, as appropriate.
- 9.3 In consultation with all staff, we have adopted a **Code of Conduct** for staff working in our school. This forms part of staff induction and is in the staff handbook. All staff know how to access the **Code of Conduct** to refer to it. Our Code of Conduct Policy is available in our Smart log accounts.
- 9.4 All staff are required to sign that they have read, understood and agree to comply with the agreed standards of practice set out in the staff **Code of Conduct**.

10. Allegations against staff, supply teachers and volunteers (including Governors)

- 10.1 All school staff, supply teachers and volunteers must take care not to place themselves in a vulnerable position with a child. It is always advisable for interviews or work with individual children or parents/carers to be conducted in view of other adults (See also section 7 above). There must be no 1:1 contact between staff and pupils which is not "open to the casual observer".

CHILD PROTECTION POLICY

- 10.2** We understand that a pupil may make an allegation against a member of staff, supply staff or volunteer. If such an allegation is made, the member of staff notified of the allegation will immediately inform the Headteacher or the most senior teacher if the Headteacher is not present. Concerns including allegations that may meet the harms test should be addressed as set out in Part four of Keeping Children Safe in Education 2020.
- 10.3** Where a member of staff or volunteer is involved in an incident outside of school that they may mean they are not suitable to work with children due transferable risk. Annex H gives the example of a member of staff involved in domestic violence at home where no children were involved, but you would need to consider what triggered these actions and whether a child in school could trigger the same reaction and be put at risk
- 10.4** The Headteacher/Senior Teacher on all such occasions must immediately discuss the content of the allegation with the Local Authority Designated Officer (LADO). The purpose of an initial discussion is for the LADO and the Case Manager to consider the nature, content and context of the allegation and agree a course of action.
- 10.5** The Head Teacher/Senior Teacher must:
- 10.5.1** Follow all advice given by the LADO throughout the investigation process, including how to manage the staff member, supply teacher or volunteer against whom the allegation is made, as well as supporting other staff, supply teachers and volunteers within the workplace.
- 10.5.2** Follow all advice given by the LADO relating to supporting the child making the allegation, as well as other children connected to the organisation.
- 10.5.3** Ensure feedback is provided to the LADO about the outcome of any internal investigations.
- 10.6** If the allegation made to a member of staff concerns the Headteacher, the person receiving the allegation will immediately inform the Chair of Governors who will consult the LADO without notifying the Headteacher first.
- 10.7** The school will follow the local safeguarding procedures for managing allegations against staff, supply teachers and volunteers, a copy of which can be found in Smart log for staff and a copy can be requested at the office.
- 10.8** Suspension of the member of staff against whom an allegation has been made needs careful consideration and, if necessary, we will consult with the LADO in making this decision. Guidance will also be sought from HR.
- 10.9** If a suspension is made, restrictions will apply to all staff, supply teachers and volunteers regarding contact with them whilst they are suspended, including contact via social media, such as Facebook and Twitter.

CHILD PROTECTION POLICY

- 10.10** Our lettings agreement for other users requires that the organiser will follow the Buckinghamshire County Council procedures for managing allegations against staff and where necessary, the suspension of adults from school premises.
- 10.11** Should an individual staff member, governor or volunteer be involved in child protection, other safeguarding procedures or Police investigations in relation to abuse or neglect, they must immediately inform the Head Teacher. In these circumstances, the school will need to assess whether there is any potential for risk of transfer to the workplace and the individual's own work with children.

11. Whistleblowing

- 11.1** We have a **Whistleblowing Policy** which can be found in Smartlog or a paper copy can be found in the staffroom. Staff are required to familiarise themselves with this document during their induction period.
- 11.2** All staff must be aware of their duty to raise concerns about the attitude or actions of colleagues and report their concerns to the Headteacher or Chair of Governors.

12. Physical intervention/Positive handling

- 12.1** Our policy on physical intervention/positive handling by staff is set out separately, as part of our **Behaviour Policy**. It complies with the Department of Education Guidance, 'The Use of Reasonable Force, Advice for Headteachers, Staff and Governing Bodies' July 2013, Use of Reasonable Force, 2013. This policy states that staff may only use 'reasonable force', meaning no more force than is needed, to prevent pupils from hurting themselves or others, from damaging property, or causing disorder. It is always unlawful to use force as a punishment.
- 12.2** Headteachers and authorised staff can use such force as is reasonable in the circumstances to conduct a search for the following 'prohibited items': knives and weapons, alcohol, illegal drugs, stolen items, cigarettes and tobacco, fireworks, pornographic images, or any article that has been or is likely to be used to commit an offence, cause personal injury or damage property.
- 12.3** If the use of force is necessary, reasonable adjustments for disabled children and children with special educational needs will be made.
- 12.4** Any use of force or restraint will be recorded and signed by a witness. The parent/carer will be informed of the incident.
- 12.5** Staff who are likely to need to use physical intervention must be appropriately trained.
- 12.6** We understand that physical intervention of a nature which causes injury or unnecessary distress to a child may be considered under child protection or disciplinary procedures.

CHILD PROTECTION POLICY

13. Anti-Bullying

- 13.1** Anti-Bullying is referenced within the **Behaviour, Discipline and Anti-Bullying Policy** and measures are in place to prevent and respond to all forms of bullying, which acknowledges that to allow or condone bullying may lead to consideration under child protection procedures.
- 13.2** Staff, pupils and parents are made aware of how mobile technologies are increasingly being used to bully children both in and outside of the school environment.

14. Discriminatory Incidents

- 14.1** In line with the **Equalities Act 2010**, our **Equalities and Cohesion Policy** addresses all forms of discriminatory incidents. It takes into account the guidance offered by the Buckinghamshire guidance document 'Equally Safe – Dealing with Prejudice Related Incidents Guidance for Schools'.
- 14.2** Our Equalities and Cohesion policy references how racist incidents will be dealt with and acknowledges the serious nature of these events and their impact on the individual/group of students involved including those who may witness the incident. All incidents will be taken seriously and consideration will be given as to whether a multi-agency approach using child protection procedures is required.

15. Health and Safety

- 15.1** We recognise the importance of safeguarding pupils throughout the school day. Our **Health and Safety policy** reflects the consideration we give to the protection of our children, both physically and emotionally, within the school environment.
- 15.2** Part of the safeguarding measures we have in place include the safe dropping off and collection of pupils at the start and end of the school day. At the start of the academic year in September, Parents/carers are expected to complete an 'Safeguarding End of Day Arrangements' form for each of their children. Staff follow the parents'/carers' instructions on such form and will contact parents/carers if there are any queries. All Parents /carers are asked to deliver their children to the lower playground and collect them from the lower playground. Parents/carers are expected to inform us, via the School Office, if there is to be a change in the arrangement of collection for their children. All children have a password that will be used to check if an adult has been given permission to collect a child in case of emergency.
- 15.3** Pupils who leave the site during the school day do so only with the written permission of a parent/carer and are collected by an authorised adult where

CHILD PROTECTION POLICY

appropriate. School should be notified by the parents/carers regarding whom they have authorised for this task. Children will be signed out and back in again at reception.

- 15.4** Children who attend the breakfast club are escorted by the staff working in the breakfast club to the lower playground and a register of those children is handed to a member of the school staff once they are checked against it. At the end of the school day children attending the After School Club will report to the staff of that Club in the reception area and checked against a register of who is expected. If children do not arrive for the Club, then the staff of the Club will liaise with the school staff in order to locate the missing child or children.
- 15.5** In the event of a pupil going missing during the course of the school day we will carry out immediate checks to ensure the pupil is not on site, we will then make contact with the pupil's parents/carers and inform the police. Our school site is secure.

16. Prevent Duty

- 16.1** We are aware of the Prevent Duty under **Section 26 of the Counter Terrorism and Security Act 2015** to protect young people from being drawn into terrorism. Terrorism is an action that endangers or causes serious violence to a person/people; causes serious damage to property; or seriously interferes or disrupts an electronic system. The use or threat must be designed to influence the government or to intimidate the public and is made for the purpose of advancing a political, religious or ideological cause. This is as a safeguarding matter like any other and these processes will be applied to support children and their families where vulnerabilities are identified.
- 16.2** All school staff and governors have completed Prevent training.
- 16.3** We have in place and monitor appropriate web filtering systems so that pupils cannot view potentially extreme material.
- 16.4** Staff understand the need for a culture of vigilance to be present in the school to support safeguarding. This includes awareness and sensitivity to changes in the attitudes of pupils, which may indicate they are at risk of radicalisation.
- 16.5** Channel is a voluntary, confidential support programme which focuses on providing support at an early stage to people who are identified as being vulnerable to being drawn into terrorism. Prevent referrals may be passed to a multi-agency Channel panel, which will discuss the individual referred to determine whether they are vulnerable to being drawn into terrorism and consider the appropriate support required. A representative from the school or college may be asked to attend the Channel panel to help with this assessment. An individual's engagement with the programme is entirely voluntary at all stages

17. E-Safety

CHILD PROTECTION POLICY

- 17.1** All staff are aware of the school policy on **E-Safety** which sets out our expectations relating to:
- 17.1.1** Creating a safer online learning environment,
 - 17.1.2** Giving everyone the skills, knowledge and understanding to help children stay safe on-line, question the information they are accessing and support the development of critical thinking,
 - 17.1.3** Inspiring safe and responsible use of mobile technologies, to combat behaviours on-line which may make pupils vulnerable, including sexting (youth-produced sexual imagery),
 - 17.1.4** Use of mobile technology both within school and on school trips/ outings
 - 17.1.5** Use of camera equipment, including smart phones,
 - 17.1.6** What steps to take if there are concerns and where to go for help,
 - 17.1.7** Staff use of social media as set out in the **Staff Code of Conduct**.
- 17.2** Cyber-bullying by children, via texts, social media and emails, will be treated as seriously as any other type of bullying and will be managed through our anti-bullying procedures. This includes sexting and image exchange under threat or through coercion.
- 17.3** Pupils, staff and parents/carers are supported to understand the risks posed by:
- 17.3.1** the CONTENT accessed by pupils
 - 17.3.2** their CONDUCT on-line
 - 17.3.3** and who they have CONTACT with in the digital world.
- 17.4** Where children are being asked to learn online at home the department has provided advice to support schools and colleges do so safely: [safeguarding-in-schools](#), [safeguarding-and-remote-education](#)
- 17.5** We have a separate **Mobile Phone Policy** which sets out the acceptable use of mobile technologies by pupils whilst onsite. This includes sanctions which will be applied when these boundaries are not adhered to.
- 17.6** Visitors to our school are respectfully requested to turn all mobile devices off. This is a safeguarding measure for our pupils.
- 17.7** Staff use of mobile technology whilst on site is set out in the **Staff Code of Conduct**.

18. Sexting

CHILD PROTECTION POLICY

Sexting', also referred to as 'youth produced sexual imagery', is one of a number of 'risk-taking' behaviours associated with the use of digital technologies, social media or the internet. It is accepted that children experiment and challenge boundaries and therefore the risks associated with 'online' activity can never be completely eliminated.

- 18.1** Staff, pupils and parents/carers are supported, via training, to understand the creation and sharing of sexual imagery, such as photos or videos, of under 18s is illegal. This includes images of pupils themselves if they are under the age of 18.
- 18.2** Any youth produced sexual imagery disclosures will follow the normal safeguarding practices and protocols for our school. We will also use the guidelines for responding to incidents, as set out in the publication 'Sexting in Schools and Colleges' produced by the UK Council for Child Internet Safety.
- 18.3** If the incident meets the threshold it may be necessary to refer to the police in a timely manner; contact will be through a safer schools' officer, a PCSO (Police Community Security Officer), local neighbourhood police or by dialling 101. Such a report will result in an Outcome 21 record being generated by the police. We will always endeavour to speak to the parents/carers of the pupils involved prior to any report being made to the police.

19. Peer on Peer Abuse

The Downley School believes that all children have a right to attend school and learn in a safe environment free from harm by both adults and other pupils. We recognise that some safeguarding concerns can occur via peer on peer abuse.

- 19.1** All staff operate a zero-tolerance policy to peer on peer abuse and will not pass off incidents as 'banter' or 'just growing up'.
- 19.2** All staff recognise that peer on peer issues may include, but may not be limited to:
 - 19.2.1** Bullying (including cyber bullying)
 - 19.2.2** Racial abuse
 - 19.2.3** Physical abuse, such as hitting, hair-pulling, shaking, biting or other forms of physical harm
 - 19.2.4** Sexual violence and sexual harassment
 - 19.2.5** Abuse related to sexual orientation or identity
 - 19.2.6** Sexting as set out in section 17
 - 19.2.7** Initiation type violence and rituals
 - 19.2.8** Emotional abuse
- 19.3** The following will be considered when dealing with incidents:

CHILD PROTECTION POLICY

- 19.3.1 Whether there is a large difference in power between the victim and perpetrator i.e. size, age, ability, perceived social status or vulnerabilities, including SEND, CP/CIN or LAC
- 19.3.2 Whether the perpetrator has previously tried to harm or intimidate pupils
- 19.3.3 Any concerns about the intentions of the alleged perpetrator
- 19.4 In order to minimise the risk of peer on peer abuse taking place, school must:
 - 19.4.1 Deliver PSHE to include teaching pupils about how to keep safe and understanding what acceptable behaviour looks like
 - 19.4.2 Ensure that pupils know that all members of staff will listen to them if they have concerns and will act upon them
 - 19.4.3 Have systems in place for any pupil to be able to voice concerns
 - 19.4.4 Develop robust risk assessments if appropriate
 - 19.4.5 Refer to any other relevant policies when dealing with incidents, such as the **Behaviour Policy** and/or the **Anti-Bullying Policy**
- 19.5 The Voyeurism (Offences) Act, which is commonly known as the Upskirting Act, came into force on 12 April 2019. 'Upskirting' is where someone takes a picture under a persons clothing (not necessarily a skirt) without their permission and or knowledge, with the intention of viewing their genitals or buttocks (with or without underwear) to obtain sexual gratification, or cause the victim humiliation, distress or alarm. It is a criminal offence. Anyone of any gender, can be a victim. Staff recognise that 'Upskirting' is a criminal offence and must promptly report any such incidence to the Headteacher, DSL or most senior member of staff.
- 19.6 Reference will be made to the following government guidance and part 5 of the **Keeping Children Safe in Education, Sept 2020** to ensure that all staff have an understanding of the serious nature of sexual violence and sexual harassment between children in schools. [Sexual violence and sexual harassment between children in schools and colleges - GOV.UK](#)

20. Cultural Issues

- 20.1 As a school we are aware of the cultural diversity of the community around us and work sensitively to address the unique culture of our pupils and their families as they relate to safeguarding and child protection. This includes children at risk of harm from abuse arising from culture, faith and belief on the part of their parent, carer or wider community.
- 20.2 Staff must report concerns about abuse linked to culture, faith and beliefs in the same way as other child protection concerns.

21. So Called 'Honour' Based Abuse

CHILD PROTECTION POLICY

- 21.1** Staff at our school understand there is a legal duty to report known cases of Female Genital Mutilation (FGM) and So Called 'Honour' Based Abuse to the police and they will do this with the support of the DSL. Mandatory reporting of female genital mutilation: procedural information - GOV.UK
- 21.2** Our school is aware of the need to respond to concerns relating to forced marriage and understand that it is illegal, a form of children abuse and a breach of children's rights. We recognise some pupils, due to capacity or additional learning needs, may not be able to give an informed consent and this will be dealt with under our child protection processes. The Downley School staff can contact the Forced Marriage Unit if they need advice or information. Contact 020 7008 0151 fm@fco.gov.uk
- 21.3** We are aware of the signs of FGM Female genital mutilation (FGM) | NSPCC
- 21.4** We recognise both male and female pupils may be subject to honour based abuse e.g. where children's cultural background are at odds with their behaviours such as sexuality, under-age sex, relationships, gender identity or life style choices.
- 21.5** We promote awareness through training and access to resources, ensuring that the signs and indicators are known and recognised by staff.
- 21.6** Any suspicions or concerns for forced marriage are reported to the DSL who will refer to First Response or the police if emergency action is required.

22. Contextual Safeguarding

Contextual Safeguarding is an approach to understanding, and responding to, children's experiences of significant harm beyond their families. It recognises that the different relationships that children form in their neighbourhoods, schools and online can feature violence and abuse. Parents and carers may have little influence over these contexts, for example sexual exploitation, criminal exploitation and serious youth violence and children's experiences of extra-familial abuse can undermine parent/carer-children relationships.

- 22.1** At The Downley School we recognise that pupils may encounter safeguarding issues that happen in the wider community and we will respond to such concerns, reporting to the appropriate agencies in order to support and protect the pupil.
- 22.2** All staff, and especially the DSLs, will consider the context of incidents that occur outside of school to establish if environmental factors may be putting the pupil's welfare and safety at risk.
- 22.3** Children who may be alleged perpetrators will also be supported to understand the impact of contextual issues on their safety and welfare.
- 22.4** In such cases the individual needs and vulnerabilities of each child will be considered.

CHILD PROTECTION POLICY

23. Serious Violence

- 23.1** All staff are aware of signs and indicators which may signal that children are at risk from, or are involved with, serious violent crime. These may include increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or significant change in well-being or signs of assault or unexplained injuries. Staff are aware that unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs.
- 23.2** At The Downley School we are aware of the risks to children and will take appropriate measures to manage any situations arising.
- 23.3** All children can witness and be adversely affected by domestic abuse in the context of their home life where domestic abuse occurs between family members. Exposure to domestic abuse and/or violence can have a serious, long lasting emotional and psychological impact on children. In some cases, a child may blame themselves for the abuse or may have had to leave the family home as a result.

24. Children potentially at greater risk of harm

- 24.1** Children may need a social worker due to safeguarding or welfare needs. Children may need this help due to abuse, neglect and complex family circumstances. A child's experiences of adversity and trauma can leave them vulnerable to further harm, as well as educationally disadvantaged in facing barriers to attendance, learning, behaviour and mental health.
- 24.2** Local authorities should share the fact a child has a social worker, and the designated safeguarding lead should hold and use this information so that decisions can be made in the best interests of the child's safety, welfare and educational outcomes. This should be considered as a matter of routine. There are clear powers to share this information under existing duties on both local authorities and schools and colleges to safeguard and promote the welfare of children.
- 24.3** Where children need a social worker, this should inform decisions about safeguarding (for example, responding to unauthorised absence or missing education where there are known safeguarding risks) and about promoting welfare (for example, considering the provision of pastoral and/or academic support, alongside action by statutory services).

25 Use of Photography

- 25.1** We will often use photographs and film to capture achievements, monitor a child's development and help promote successes within our school. We like to have a record of all the wonderful activities our pupils take part in. Via our website we like to be able to share them with parents/carers. We are however mindful of the safety of students and will seek permission of both parents and student before taking or sharing images.

CHILD PROTECTION POLICY

25.2 As confirmed in the Data Protection Act, our school will ensure written consent is sought from the parent or carer of any child under the age of 18 before any photographs are taken. If consent is given, we will make a clear agreement with the parent or carer as to how the image will be used (for example, in a school brochure or website) and how widely (as part of a school bulletin for all parents, on the child's individual record etc.)

25.3 Due consideration will be given to the appropriateness of clothing and posture, and details such as a child's name or age will not be shared unless integral to the use of the image (such as the acceptance of an award) in particular when additional identifiers (i.e. a school or uniform logo) are being shared

26 Policy Review

26.1 The Governing Body of our school is responsible for ensuring the annual review of this policy. The date the next review is due is on the front cover of this policy.

CHILD PROTECTION POLICY

APPENDICES

Everyone who works with children has a duty to safeguard and promote their welfare. They should be aware of the signs and indicators of abuse and know what to do and to whom to speak if they become concerned about a child or if a child discloses to them.

The following is intended as a reference for school staff and parents/carers if they become concerned that a child is suffering or likely to suffer significant harm.

The Children Act 1989 defines abuse as when a child is suffering or is likely to suffer 'significant harm'. Harm means ill treatment or the impairment of health or development. Four categories of abuse are identified:

Categories of Abuse

Child abuse is a form of maltreatment. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children people may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.

Physical Abuse

A form of abuse which may involve; hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Emotional Abuse

The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

CHILD PROTECTION POLICY

Sexual Abuse

Involves forcing or enticing a child to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The **Brook Sexual Behaviours Traffic Light Tool** can be used as guidance to support professionals in identifying and responding to sexual behaviour in children.

Neglect

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- a) provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- b) protect a child from physical and emotional harm or danger
- c) ensure adequate supervision (including the use of inadequate caregivers)
- d) ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Mental Health

- All staff should be aware that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation
- Only trained professionals should make a diagnosis of a mental health problem, but staff are well placed to observe children and identify those whose behaviour suggests they may be experiencing a mental health problem, or be at risk of developing one
- Abuse, neglect and other traumatic adverse childhood experiences can have a lasting impact, and it's key that staff are aware of how these experiences can affect children's mental health, behaviour and education
- Staff should take action on any mental health concerns that are also safeguarding concerns, following your school's child protection policy and speaking to the designated safeguarding lead (DSL) or deputy
- There's government guidance available on preventing and tackling bullying and mental health and behaviour, as well as Public Health England guidance on promoting children's emotional health and wellbeing and lesson plans and teaching materials from Rise Above

CHILD PROTECTION POLICY

Exploitation

Exploitation is a form of child abuse and may take a number of forms:

Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE)

Child Sexual Exploitation is the sexual abuse which may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside clothing. It may include non-contact activities, such as involving children in the production of sexual images, forcing children to look at sexual images or watch sexual activities, encouraging children to behave in sexually inappropriate ways or grooming a child in preparation for abuse (including via the internet).

CSE can affect any child or young person (male or female) under the age of 18 years, including 16 and 17 year olds who can legally consent to have sex. It can include both contact (penetrative and non-penetrative acts) and non-contact sexual activity and may occur without the child or young person's immediate knowledge (e.g. through others copying videos or images they have created and posted on social media).

Child Criminal Exploitation is where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child into any criminal activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial or other advantage of the perpetrator or facilitator and/or (c) through violence or the threat of violence. The victim may have been criminally exploited even if the activity appears consensual. CCE does not always involve physical contact; it can also occur through the use of technology. CCE can include children being forced to work in cannabis factories, being coerced into moving drugs or money across the country (county lines, see page 85 for more information), forced to shoplift or pickpocket, or to threaten other young people.

The definition of child sexual and criminal exploitation is as follows:

- These are defined as forms of abuse where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity
- The imbalance can be due to age, as well as other factors like gender, sexual identity, cognitive ability, physical strength, status and access to economic or other resources
- In some cases, the abuse will be in exchange for something the victim needs or wants and/or will be to the financial benefit or other advantage (e.g. increased status) of the perpetrator or facilitator
- It can be perpetrated by individuals or groups, males or females, and children or adults
- It can be a one-off occurrence or be a series of incidents over time, and range from opportunistic to complex organised abuse
- It can involve force and/or enticement-based methods of compliance and can involve violence or threats of violence

CHILD PROTECTION POLICY

- Victims can be exploited even when activity appears to be consensual
- It can happen online as well as in person

CSE Guidance Core Document

We recognise that exploitation includes the trafficking of children and Modern Day Slavery. Victims of modern slavery – frontline staff guidance

Extremism

Extremism is the vocal or active opposition to our fundamental values, including democracy, the rule of law, individual liberty and the mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces. Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

County Lines

County lines is a term used to describe gangs and organised criminal networks involved in exporting illegal drugs (primarily crack cocaine and heroin) into one or more importing areas [within the UK], using dedicated mobile phone lines or other form of “deal line”. Exploitation is an integral part of the county lines offending model with children and vulnerable adults exploited to move [and store] drugs and money. Offenders will often use coercion, intimidation, violence (including sexual violence) and weapons to ensure compliance of victims. Children can be targeted and recruited into county lines in a number of locations including schools, further and higher educational institutions, pupil referral units, special educational needs schools, children’s homes and care homes. Children are often recruited to move drugs and money between locations and are known to be exposed to techniques such as ‘plugging’, where drugs are concealed internally to avoid detection. Children can easily become trapped by this type of exploitation as county lines gangs create drug debts and can threaten serious violence and kidnap towards victims (and their families) if they attempt to leave the county lines network. One of the ways of identifying potential involvement in county lines are missing episodes (both from home and school), when the victim may have been trafficked for the purpose of transporting drugs and a referral to the National Referral Mechanism¹⁰³ should be considered. If a child is suspected to be at risk of or involved in county lines, a safeguarding referral should be considered alongside consideration of availability of local services/third sector providers who offer support to victims of county lines exploitation.

CHILD PROTECTION POLICY

FGM

Rationale:

At The Downley School we have robust and rigorous safeguarding procedures in place and takes our responsibilities of child protection seriously, this guidance should be read in conjunction with this overarching Child Protection Policy

In line with Buckinghamshire Safeguarding Children Board (BSCB) FGM Guidance, we recognise that whilst there is not necessarily an intent to harm a girl / young woman through FGM, the practice has serious short and long term medical and psychological implications and as a school we need to work with partner agencies to promote understanding and safeguard students who may be at risk of this practice.

We also recognise the practice of FGM in the UK is a criminal offence and that since October 2015 it has been a mandatory requirement for all school staff to report disclosures or evidence of FGM, to the Policy "FGM is considered child abuse in the UK and a grave violation of the human rights of girls and women. In all circumstances where FGM is practised on a child, it is a violation of the child's right to life, their right to their bodily integrity, as well as their right to health. The UK Government has signed a number of international human rights laws against FGM, including the Convention on the Rights of the Child."

UK communities that are most at risk of FGM include Kenyans, Somalis, Sudanese, Sierra Leoneans, Egyptians, Nigerians and Eritreans. An estimated 29 countries in Africa practice FGM. However women from non-African communities that are at risk of FGM include Yemeni, Kurdish, Indonesian and Pakistani women."

It should be noted that women who have undergone FGM might not readily identify with this term, some will refer to "cutting" "pricking", of being "closed" or Sunna etc. Do to the isolation of many communities many do not understand that it is

- Illegal to perform FGM in the UK
- Assist the carrying out of FGM in the UK
- Assist a girl to carryout FGM on herself in the UK
- Assist from the UK a non-UK person to carryout FGM outside often UK on a UK national or permanent UK resident

Keeping Children Safe in Education 2020, includes within the section on Honour Based Violence in Annex A reference to FGM and staffs responsibility to safeguard and promote the wellbeing of students who may be vulnerable to this breach of their human rights

Ofsted have included FGM in their "Inspecting Safeguarding" briefing for Inspectors. They will explore,

| |
|---|
| How alert are staff to the possible signs that a child has been subject to female genital mutilation or is at risk of being abused through it; what sort of training have they had. |
|---|

CHILD PROTECTION POLICY

They will examine this through training records, talking to staff and examining any records school may have on file where FGM is a concern or advice, support or guidance has been sought in relation to a child at the school. There should be a culture of vigilance amongst staff rather than an assumption that the child is not at risk due to ethnicity or age.

Staff are reminded of their duty in part one of Keeping Children Safe in Education 2020, to report to the police if it is discovered either through disclosure or visual evidence that a young person under the age of 18 yrs., has undergone FGM (Section 74 of the Serious Crime Act 2015). This is a mandatory requirement.

Policy

At The Downley School the Headteacher and Governors expect Safeguarding to be everybody's responsibility and for all staff to adhere to and follow the policies in place to support children and their families to stay safe from harm. As a school, we embrace the fact that we live in a multi-cultural society, we are however, conscious there are some practices, which are permitted in other parts of the world, which are against the law in the United Kingdom, and the practice of female genital mutilation is one of these.

1. At The Downley School, we have a robust attendance policy that does not authorise holidays, extended or otherwise
2. FGM training has been undertaken by the designated safeguarding lead and training disseminated to all staff at the front line dealing with the children.
3. There is a clear expectation for staff at The Downley School to attend training to support them in their understanding of this issue and to be alert to the possible signs that a child may be vulnerable or has been subject to, female genital mutilation.
4. Staff are aware of their responsibility to escalate any concerns, where they believe a child may be at risk of FGM to the designated safeguarding lead, Staff are also aware they can refer the matter directly to the Police if they believe a criminal act has been committed and a child has been subject to FGM.
5. Staff are aware of the need to take timely and appropriate action in respect of concerns
6. Staff at The Downley School have been made aware that female students are at particular risk of FGM during school summer holidays. This is the time when families may take their children abroad for the procedure. Staff have been made aware of other times of potential vulnerability; extensions to school holiday times, children missing from education or where a child suddenly leaves the school with no follow on arrangements offered. We understand that many girls may not be aware that they may be at risk of undergoing FGM and those we need to be vigilant to indicators of risk.
7. Staff have been advised of the need to challenge requests from families for extensions to holiday times and to report;

CHILD PROTECTION POLICY

- talk of ceremonies to celebrate the young person becoming a woman
- changes in patterns of behaviour if a child is taken out of the country or
- Undisclosed health issues where the child is experiencing discomfort in sitting, going to the toilet etc.
- Changes in patterns of behaviour e.g. withdrawing from PE gym exercises etc.

8. The Designated Safeguarding Lead will keep an open dialogue on the topic of FGM (ensuring this is done in an age appropriate way) with students and parents from practising communities who may be at risk.

9. We have a comprehensive PSI-IE and Relationship and Sex Education delivered to KS2 children with a discussion about FGM with Year 6 girls.

All staff at The Downley School are aware FGM is a child protection issue. Concerns will be addressed under Section 47 of the Children Act 1989 in common with any other safeguarding matter where it is believed a child has suffered or is at risk of suffering significant harm.

10. Staff are alert to possible indicators that a child is at risk of FGM:

- The family comes from a community that is known to practice FGM especially if there are elderly women present in the household or where there is knowledge that other family members may have been subject to FGM
- In conversation a child may talk about FGM.
- A child may express anxiety about a special ceremony.
- The child may talk or have anxieties about forthcoming holidays to their/family's country of origin.
- Parent/Guardian requests permission for authorised absence for overseas travel or you are aware that absence is required for vaccinations.
- If a woman has already undergone FGM — and it comes to the attention of any professional, consideration needs to be given to any Child Protection implications e.g. for younger siblings, extended family members and a referral made to Social Care or the Police; schools must now report.

If we have concerns that children in our school community are at risk or victims of FGM then we refer to the BSCB Guidelines for FGM (www.BucksLSCB.org.uk).

11. Staff are aware of the need to be vigilant and professionally curious

12. Staff are required to make an accurate record of concerns, observation or comment in line with schools record keeping policy on CPOMS.

13. The DSL will refer all concerns re possible or actual FGM to social care via the First Response Team. In the event of information coming to the attention of the DSL that there is an immediate threat to the child or it is believed there is a flight risk or a criminal offence has taken place the DSL will refer immediately and directly to the Police

CHILD PROTECTION POLICY

14. Referral to the First Response Team can be made verbally in the first instance but need to be followed up within 24 with a written account using the Multi Agency Referral Form following the usually CP procedures contained within the main body of our CP Policy

15. Practical tips

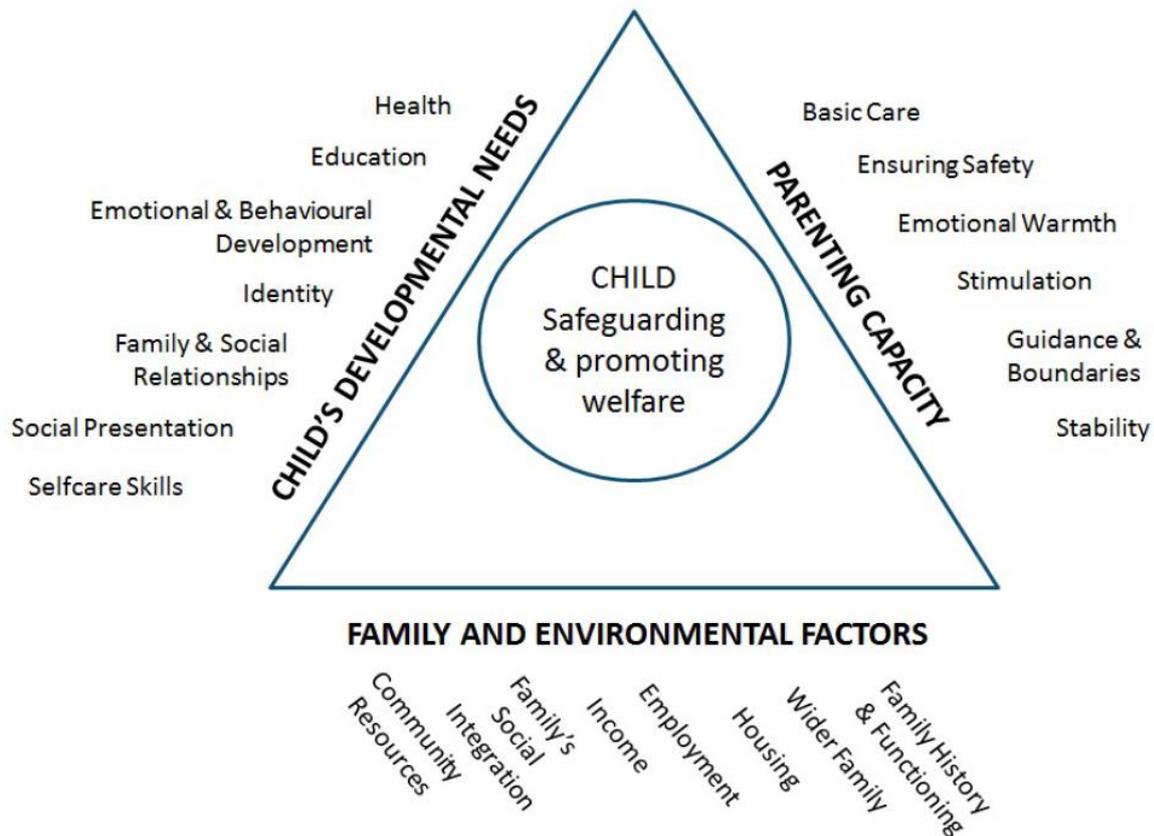

These questions and advice are guidance and each case should be dealt with sensitively and considered individually and independently. Using this guidance is at the discretion of the Headteacher

What can I ask?

- Talk to children about their holiday.
- Sensitively and informally, ask the family about their planned extended holiday ask questions like; who is going on the holiday with the child? How long they plan to go for and is there a special celebration planned?
- Where are they going?
- Are they aware that the school cannot keep their child on roll if they are away for a long period?
- If there is a concern that a child may be vulnerable to FGM this needs to be reported using the schools CP procedures and/ or the information passed to the Police. Are the family aware that FGM including Sunna is illegal in the U.K even if performed abroad?

CHILD PROTECTION POLICY

Assessment Framework (from Working Together to Safeguard Children, July 2018)

It frequently, more than one child from the same family is referred and siblings within the family should always be considered.
