Dear Parents and Carers,

Thank you for your support with remote learning. It has required a lot of patience and determination from everyone involved.

We have set some high expectations so that children can socially interact with their peers and receive live learning alongside their teacher. To ensure we can continue this successfully, please discuss the home learning agreement with your child/ren to remind them of the live learning rules.

Key points:

- Cameras should be switched on at all times
- Be respectful to everyone during the lesson
- Use the functions sensibly
- Mobile phones **are not** to be used during lessons
- Report any absences directly to the class teacher using the class email address

If you require any support with devices, connection issues or anything else, please do not hesitate to get in contact with the school.

Best wishes,

Miss Richardson
