## School Values

### Kindness

### Comic Relief

Monday 1<sup>st</sup> March 2021

Dear Parents and Carers,

I hope that you are all safe and well? Our value for the month of March is Kindness.

Kindness is defined as; the quality of being friendly, generous, and considerate. At The Downley School, it can mean so much more. Kindness can mean different things to different people. It could be through showing empathy, acceptance, kind gestures or thoughtfulness, the possibilities are entirely up to you.

Below is a helpful video that shows how children view kindness.

I would like everybody to think of different ways that they are able to show kindness both at home and in school.

### Comic Relief 2021

On Friday March 19<sup>th</sup> it is Comic Relief day and this year we have created a 'just giving' page where donations can be made to such an incredible charity. In school, we are planning to hold a 'wear something red day' where the children can come to school wearing something red ( not football strip) and donate £1.00 to the just giving page detailed below.

It would be amazing to raise as much as we can throughout the month of March, leading up to the day of Comic Relief. If you or your family undertake any fundraising please send pictures/ details in and we will share them with the community.

Thank you so much for your support.
