Headteacher: Ms F Taylor

23<sup>rd</sup> April 2021

Dear Parents and Carers,

The school topic this term is called 'The Deep Blue.' Children will learn about Sea life; the topic will have a huge emphasis on marine pollution specifically, sewage and littering.

The stunning start of our topic is about getting children to acknowledge how/how much plastic surrounds them and how plastic can be reused and repurposed. Over the next week (23<sup>rd</sup>-30<sup>th</sup>), please can you collect any plastic waste items you use in your household? Please can we ask all items are cleaned before they are brought to school?

All items will be kept quarantined for at least 72 hours before children will be asked to repurpose their plastic.

Thank you for your support.

Kind regards,

Miss Richardson
