Monday 10th May 2021

Dear Parents / Carers,

Census Day for Schools - One off Menu Change

Thursday 20th May 2021 is the National Census day for schools. Schools funding from the government for school meals is dependent on the number of meals ordered on this day, so we are very keen for the maximum number of orders!

This funding directly benefits all pupils so the more funding we receive will mean improved provision for teaching and learning. Attached are details of our one off menu change. If you have already ordered your child a meal for Thursday 20th May 2021 you will need to log onto the innovate website and select the meal option of your choice All previous orders for this day have been cleared for the new menu.. Orders will need to be placed by midnight on Saturday 15th May.

Reception, Year 1 and Year 2 pupils are all eligible for Universal Infant Free School Meals.

I have also attached the Free School Meal & Pupil Premium form. If your situation has changed over the past year and you think you are eligible for free school meals based on a change to your income or you are now in receipt of some benefits, you may be eligible.

Please complete the form and return to the school office via

office@thedownleyschool.co.uk .

Kind regards

Mrs Ovens
