Acting Headteacher: Mrs A Perry

Thursday 31st March 2022

Dear Parents,

As you may be aware, Ms Taylor is currently not at school. Unfortunately she is currently unwell and is unable to work. We are very fortunate that Mrs Perry has agreed to step up and cover for Ms Taylor whilst she is not in school. Mrs Perry, as well as knowing The Downley School very well, is also an experienced Headteacher and she is more than capable of leading the school, I know that everyone will want to support her in her work. We have also reached out to the Local Authority for additional support which they are addressing.

I am sure that many of you will be keen to know the outcome of our recent Ofsted inspection, as is normal under these circumstances, we are unable to inform you of the situation until the report is published, which is usually about six weeks from the date of the inspection. The reason for this is that there is a rigorous quality checking process that each inspection outcome goes through and it is possible grades can change during this process. We know that this is frustrating, however there is nothing that can be shared until the report goes public. We will be communicating this with you as soon as we are able.

Thank you for your patience and ongoing support to The Downley School.

Yours sincerely
