

## LYRICS FOR THE GREATEST SHOWMAN

### *This is the Greatest Show*

Woah

Ladies and gents, this is the moment you've waited for (Woah)  
Been searchin' in the dark, your sweat soakin' through the floor (Woah)  
And buried in your bones there's an ache that you can't ignore  
Takin' your breath, stealin' your mind  
And all that was real is left behind

Don't fight it, it's comin' for you, runnin' at ya  
It's only this moment, don't care what comes after  
Your fever dream, can't you see it gettin' closer?  
Just surrender 'cause you feel the feelin' takin' over  
It's fire, it's freedom, it's floodin' open  
It's a preacher in the pulpit and your blind devotion  
There's somethin' breakin' at the brick of every wall  
It's holdin' all that you know, so tell me do you wanna go?

Where it's covered in all the colored lights

Where the runaways are runnin' the night

Impossible comes true, it's takin' over you

Oh, this is the greatest show

*We light it up, we won't come down*

And the sun can't stop us now

*Watchin' it come true, it's takin' over you*

Oh, this is the greatest show

(Woah) Colossal we come these renegades in the ring

(Woah) Where the lost get found in the crown of the circus king

Don't fight it, it's comin' for you, runnin' at ya  
It's only this moment, don't care what comes after  
It's blindin', outshinin' anything that you know  
Just surrender 'cause you're callin' and you wanna go

Where it's covered in all the colored lights  
Where the runaways are runnin' the night  
Impossible comes true, *intoxicatin' you*  
Oh, this is the greatest show  
We light it up, we won't come down  
And the sun can't stop us now  
*Watchin' it come true*, it's takin' over you  
Oh, this is the greatest show

It's everything you ever want  
It's everything you ever need  
And it's here right in front of you  
This is where you wanna be (This is where you wanna be)  
It's everything you ever want  
It's everything you ever need  
And it's here right in front o' you  
This is where you wanna be  
*This is where you wanna be*

Where it's covered in all the colored lights  
Where the runaways are runnin' the night  
Impossible comes true, it's takin' over you  
Oh, *this is the greatest show*  
We light it up, we won't come down  
And the sun can't stop us now  
Watchin' it come true, it's takin' over you  
This is the greatest show  
Where it's covered in all the colored lights  
Where the runaways are runnin' the night  
Impossible comes true, it's takin' over you  
Oh, this is the greatest show  
We light it up, we won't come down  
And the walls can't stop us now  
I'm watchin' it come true, it's takin' over you  
Oh, this is the greatest show

'Cause everythin' you want is right in front of you  
And you see the impossible is comin' true  
And the walls can't stop us (now) now, yeah

This is the greatest show (Oh!)  
This is the greatest show! (Oh!)

### *A Million Dreams*

I close my eyes and I can see  
A world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design

'Cause every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh, a million dreams for the world we're gonna make

There's a house we can build  
Every room inside is filled  
With things from far away  
Special things I compile  
Each one there to make you smile  
On a rainy day

They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Run away to a world that we design

'Cause every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh, a million dreams for the world we're gonna make

However big, however small  
Let me be part of it all  
Share your dreams with me  
You may be right, you may be wrong  
But say that you'll bring me along  
To the world you see  
*To the world I close my eyes to see*  
*I close my eyes to see*

*Cause every night I lie in bed*  
*The brightest colors fill my head*  
A million dreams are keeping me awake  
*A million dreams, a million dreams*  
I think of what the world could be

A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

For the world we're gonna make

### THE OTHER SIDE ?

Right here, right now  
I put the offer out  
I don't want to chase you down  
I know you see it  
You run with me  
And I can cut you free  
Out of the drudgery and walls you keep in  
So trade that typical for something colorful  
And if it's crazy, live a little crazy  
You can play it sensible, a king of conventional  
Or you can risk it all and see

Don't you wanna get away from the same old part you gotta play  
'Cause I got what you need, so come with me and take the ride  
It'll take you to the other side  
'Cause you can do like you do  
Or you can do like me  
Stay in the cage, or you'll finally take the key  
Oh, damn! Suddenly you're free to fly  
It'll take you to the other side

Okay, my friend, you want to cut me in  
Well I hate to tell you, but it just won't happen  
So thanks, but no  
I think I'm good to go  
'Cause I quite enjoy the life you say I'm trapped in  
Now I admire you, and that whole show you do  
You're onto something, really it's something  
But I live among the swells, and we don't pick up peanut shells  
I'll have to leave that up to you

Don't you know that I'm okay with this uptown part I get to play  
'Cause I got what I need and I don't want to take the ride

I don't need to see the other side  
So go and do like you do  
I'm good to do like me  
Ain't in a cage, so I don't need to take the key  
Oh, damn! Can't you see I'm doing fine  
I don't need to see the other side

Now is this really how you like to spend your days?  
Whiskey and misery, and parties and plays

If I were mixed up with you, I'd be the talk of the town  
Disgraced and disowned, another one of the clowns

But you would finally live a little, finally laugh a little  
Just let me give you the freedom to dream  
And it'll wake you up and cure your aching  
Take your walls and start 'em breaking  
Now that's a deal that seems worth taking  
But I guess I'll leave that up to you

Well it's intriguing, but to go would cost me greatly  
So what percentage of the show would I be taking?

Fair enough, you'd want a piece of all the action  
I'd give you seven, we could shake and make it happen

I wasn't born this morning, eighteen would be just fine

Why not just go ahead and ask for nickels on the dime

Fifteen

I'd do eight

Twelve

Maybe nine

Ten

Don't you wanna get away to a whole new part you're gonna play  
'Cause I got what you need, so come with me and take the ride

To the other side

So if you do like I do

So if you do like me

Forget the cage, 'cause we know how to make the key

Oh, damn! Suddenly we're free to fly

We're going to the other side  
So if you do like I do  
(To the other side)  
So if you do like me  
(We're going to the other side)  
'Cause if we do we're going to the other side  
We're going to the other side

### *Come Alive*

You stumble through your days  
Got your head hung low  
Your skies a shade of grey  
Like a zombie in a maze  
You're asleep inside  
But you can shake awake

'Cause you're just a dead man walking  
Thinking that's your only option  
But you can flick the switch and brighten up your darkest day  
Sun is up and the color's blinding  
Take the world and redefine it  
Leave behind your narrow mind  
You'll never be the same

Come alive, come alive  
Go and light your light  
Let it burn so bright  
Reaching up  
To the sky  
And it's open wide  
You're electrified

And the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And you know you can't go back again  
To the world that you were living in  
'Cause you're dreaming with your eyes wide open  
So, come alive!

I see it in your eyes  
You believe that lie  
That you need to hide your face  
Afraid to step outside  
So you lock the door  
But don't you stay that way

No more living in those shadows  
You and me, we know how that goes  
'Cause once you see it, oh you'll never, never be the same

A little bit of lightning striking  
Bottled up to keep on shining  
You can prove there's more to you  
You cannot be afraid

Come alive, come alive  
Go and light your light  
Let it burn so bright  
Reaching up  
To the sky  
And it's open wide  
You're electrified

When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And we know we can't go back again

To the world that we were living in  
'Cause we're dreaming with our eyes wide open

Come one!  
Come all!  
Come in!  
Come on!

To anyone who's bursting with a dream

Come one!  
Come all!  
You hear  
The call

To anyone who's searching for a way to break free

Break free!  
Break free!

And the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And we know we can't go back again  
To the world that we were living in  
'Cause we're dreaming with our eyes wide open  
(Hey!)

And the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And we know we can't go back again  
To the world that we were living in  
'Cause we're dreaming with our eyes wide open  
(Repeat)

'Cause we're dreaming with our eyes wide open

So come alive! (Come alive!)

NEVER ENOUGH

I'm trying to hold my breath

Let it stay this way

Can't let this moment end

You set off a dream in me

Getting louder now

Can you hear it echoing?

Take my hand

Will you share this with me?

'Cause darling, without you

All the shine of a thousand spotlights

All the stars we steal from the night sky

Will never be enough

Never be enough

Towers of gold are still too little

These hands could hold the world but it'll

Never be enough

Never be enough

For me

Never, never

Never, never

Never, for me

For me

Never enough

Never enough

Never enough

For me

For me

For me

All the shine of a thousand spotlights

All the stars we steal from the night sky

Will never be enough

Never be enough

Towers of gold are still too little  
These hands could hold the world but it'll  
Never be enough  
Never be enough

For me  
Never, never  
Never, never  
Never, for me  
For me  
Never enough  
Never, never  
Never enough  
Never, never  
Never enough  
For me  
For me  
For me  
  
For me

## TIGHTROPE

Some people long for a life that is simple and planned  
Tied with a ribbon  
Some people won't sail the sea 'cause they're safer on land  
To follow what's written  
But I'd follow you to the great unknown  
Off to a world we call our own

Hand in my hand  
And we promised to never let go  
We're walking a tightrope  
High in the sky  
We can see the whole world down below  
We're walking a tightrope  
Never sure, never know how far we could fall  
But it's all an adventure  
That comes with a breathtaking view  
Walking a tightrope

With you, ooh, ooh, ooh, ooh  
With you, ooh, ooh, ooh, ooh  
With you

Mountains and valleys, and all that will come in between  
Desert and ocean  
You pulled me in and together we're lost in a dream  
Always in motion  
So I risk it all just to be with you  
And I risk it all for this life we choose

Hand in my hand  
And you promised to never let go  
We're walking a tightrope  
High in the sky  
We can see the whole world down below  
We're walking a tightrope  
Never sure, will you catch me if I should fall?

Well, it's all an adventure  
That comes with a breathtaking view  
Walking a tightrope

With you, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
With you  
With you, ooh, ooh, ooh, ooh  
With you, ooh, ooh, ooh  
With you

### *This is me*

I am not a stranger to the dark  
"Hideaway," they say  
"Cause we don't want your broken parts"  
I've learned to be ashamed of all my scars  
"Runaway," they say  
"No one'll love you as you are"

But I won't let them break me down to dust  
I know that there's a place for us

For we are glorious

When the sharpest words wanna cut me down  
I'm gonna send a flood, gonna drown them out  
I am brave, I am bruised  
I am who I'm meant to be, this is me  
Look out 'cause here I come  
And I'm marching on to the beat I drum  
I'm not scared to be seen  
I make no apologies, this is me

Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

Another round of bullets hits my skin  
Well, fire away 'cause today, I won't let the shame sink in  
We are bursting through the barricades  
And reaching for the sun  
*(We are warriors)*  
Yeah, that's what we've become  
*(Yeah, that's what we've become)*

I won't let them break me down to dust  
I know that there's a place for us  
For we are glorious  
When the sharpest words wanna cut me down  
I'm gonna send a flood, gonna drown them out  
I am brave, I am bruised  
I am who I'm meant to be, this is me  
Look out 'cause here I come  
And I'm marching on to the beat I drum  
I'm not scared to be seen  
I make no apologies, this is me

Oh-oh-oh-oh

Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh  
*This is me*

*(Oh-oh-oh-oh)*  
And I know that I deserve your love  
*(Oh-oh-oh-oh)*  
There's nothing I'm not worthy of  
*(Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh)*

When the sharpest words wanna cut me down  
I'm gonna send a flood, gonna drown them out  
This is brave, this is bruised  
This is who I'm meant to be, this is me

*Look out 'cause here I come*  
(Look out 'cause here I come)  
*And I'm marching on to the beat I drum*  
(Marching on, marching, marching on)  
*I'm not scared to be seen*  
*I make no apologies, this is me*

*(Oh-oh-oh-oh)* When the sharpest words wanna cut me down  
I'm gonna send a flood, gonna drown them out  
*(Oh-oh-oh-oh, oh-oh-oh-oh, oh-oh-oh-oh)*  
*(Oh-oh-oh-oh)*  
I'm gonna send a flood, gonna drown them out  
*(Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh)*  
This is me

### *Rewrite the Stars Lyrics*

You know I want you  
It's not a secret I try to hide  
I know you want me

So don't keep saying our hands are tied  
You claim it's not in the cards  
And fate is pulling you miles away  
And out of reach from me  
But you're here in my heart  
So who can stop me if I decide  
That you're my destiny?

What if we rewrite the stars?  
Say you were made to be mine  
Nothing could keep us apart  
You'd be the one I was meant to find  
It's up to you, and it's up to me  
No one can say what we get to be  
So why don't we rewrite the stars?  
Maybe the world could be ours  
Tonight

You think it's easy  
You think I don't want to run to you  
But there are mountains  
And there are doors that we can't walk through  
I know you're wondering why  
Because we're able to be  
Just you and me  
Within these walls  
But when we go outside  
You're gonna wake up and see that it was hopeless after all

No one can rewrite the stars  
How can you say you'll be mine?  
Everything keeps us apart  
And I'm not the one you were meant to find  
It's not up to you, it's not up to me  
When everyone tells us what we can be

How can we rewrite the stars?  
Say that the world can be ours  
Tonight

All I want is to fly with you  
All I want is to fall with you  
So just give me all of you  
*It feels impossible*  
**It's not impossible**  
*Is it impossible?*  
Say that it's possible

How do we rewrite the stars?  
Say you were made to be mine?  
Nothing can keep us apart  
Cause you are the one I was meant to find  
It's up to you, and it's up to me  
No one can say what we get to be  
And why don't we rewrite the stars?  
Changing the world to be ours

You know I want you  
It's not a secret I try to hide  
But I can't have you  
We're bound to break and  
My hands are tied

*From now on*

I saw the sun begin to dim  
And felt that winter wind  
Blow cold  
A man learns who is there for him  
When the glitter fades and the walls won't hold  
'Cause from that  
Rubble

What remains  
Can only be what's true  
If all was lost  
There's more I gained  
'Cause it led me back  
To you

From now on  
These eyes will not be blinded by the lights  
From now on  
What's waited till tomorrow starts tonight  
Tonight  
Let this promise in me start  
Like an anthem in my heart  
From now on  
From now on

## MUSIC

I drank champagne with kings and queens  
The politicians praised my name  
But those are someone else's dreams  
The pitfalls of the man I became  
For years and years  
I chased their cheers  
The crazy speed of always needing more  
But when I stop  
And see you here  
I remember who all this was for

And from now on  
These eyes will not be blinded by the lights  
From now on  
What's waited till tomorrow starts tonight  
It starts tonight  
And let this promise in me start  
Like an anthem in my heart

From now on  
From now on  
From now on

And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!

From now on!

And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home (Yes!)  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!  
From now on!

These eyes will not be blinded by the lights!

From now on!

What's waited till tomorrow starts tonight!

It starts tonight!  
Let this promise in me start  
Like an anthem in my heart  
From now on!  
From now on!  
From now on!

And we will come back home  
And we will come back home  
Home again!  
And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!

From now on  
From now on  
Home, again!  
From now on  
From now on  
Home, again!
