## The Downley School Emergency/Medical Consent Form

In the very rare event of a medical/emergency at The Downley School we would actively seek to locate a parent or guardian. When parents or the emergency contact person cannot be reached, it could be necessary for The Downley School to obtain urgent treatment for your son or daughter from a doctor, dentist or casualty department of a hospital. As delay in such circumstances could be dangerous, we would ask that you give your consent below in case such an emergency should unfortunately arise. This consent will be valid whilst your son or daughter is on site or on a day visit. Longer term residential trips will require an additional form to be completed.

This emergency consent will remain valid for the period of time your son or daughter attends The Downley School unless you instruct us otherwise in writing. The consent will automatically expire after this time.

### Declaration:

In the event of sudden illness or accident affecting my son/daughter, if recommended by a doctor and considered necessary by the medical authorities present, I agree to emergency treatment, including:

- medication as instructed
- any emergency dental, medical or surgical treatment including any operative treatment and/or administration of a general anaesthetic
- blood transfusion
