

# Plastic Pollution

As you may know, we are leading a project about Plastic Pollution. We have had many people help us over the past few months. We are pleased to tell you that we have finally reached our goal to get 450 milk bottles (4 pints with lids on).

You may have seen people bringing in milk bottles to school, or us (Chloe and Poppy) walking around school with milk bottles in our hands. Now you know why!

You may already have heard from our first assembly that the reason we are collecting milk bottles is to build two reading huts. We are aiming to build them both by Christmas, so please can you keep bringing them in. On Monday, 26<sup>th</sup> November we are leading an assembly informing the children what plastic pollution does to animals and how it affects the world. If you are interested to know more then please watch this video

<https://www.youtube.com/watch?v=YFZS3Vh4fI>

We would like to say a big thank you to everyone who has donated milk bottles and supported us during this Project.

By Chloe and Poppy, Year 6
