Interim Headteacher: Ms F Taylor

11 January 2019

Dear Parents/Carers,

4F have worked incredibly hard on their swimming skills over the last term. One of the skills they will be learning later this month is water safety & lifesaving techniques.

In order to take part in these activities the children will need to bring their **normal swimming kit plus their pyjamas** (or a long sleeved top and leggings) on:

Tuesday 22nd and 29th January – Water Safety Sessions

The pyjamas need to consist of a **long sleeved top and long trouser** as they will be tied together as an aid for pulling someone to safety. Please do not send your child to school with a 'onesie' as they will not be able to practise the skills of tying the clothes together.

The children will also practise moving in the water whilst wearing the clothes and getting out of the wet clothes both whilst in the pool.

Mrs Fyfe's class will be finishing swimming this half term and their last swimming lesson will be on **Tuesday 12th February**.

Thank you,

Mrs Fyfe
