School Fund Policy

The school utilises a private fund to support school activities not covered by the Local Authority budget. It is the intention that the fund should provide non-mandatory items which will enhance, enrich and advance the children's education and wellbeing.

The Governors, through the Resources Committee, will monitor income to and expenditure from the fund. Responsibility for management of the fund resides with the Headteacher, who is authorised to make day-to-day decisions on spending from the fund in accordance with this policy.

The rules of the fund are attached as appendix 1.

The main sources of income to the fund are:

- Parental donations
- School fund raising activities, such as school photographs.
- Others donations
- Sponsorship monies
- Interest on money on deposit

Expenditure from the fund may be incurred in accordance with the Rules of the Fund and in accordance with the following guidelines:

- Income from parental contributions and school fund raising activities and any deposit interest may be used for any expenditure that supports the aims of the fund.
- Income from grant funding, sponsorship or other donations for named projects should be used only for the specific named project.

Departure from these guidelines is allowed where this will be for the benefit of the school and its pupils, at the Headteacher's discretion.

The Governors have identified areas for parents to support the school with voluntary parental donations to further promote children's learning.

- To enhance the ICT resources
- To enhance the school classroom resources
- To enhance the school environment including the fabric of the building and outside areas also positioning the school to take advantage of future income generation opportunities.
- To enhance staff development

The Resources Committee shall be presented with accounts and will review fund activity on a termly basis.
